2021 TERMS & CONDITIONS FOR MEMBERS OF NORTHERN STARS VOLLEYBALL CLUB INC

1. Financial Compliance

I, the athlete or parent/guardian, hereby declare that as a member of Northern Stars Volleyball Club I agree to complete and pay the athlete's Volleyball Western Australia (VWA) Membership online. I accept that the athlete is not allowed to play in any VWA-sanctioned event until this is complete, and that any fines the club receives that result from the athlete attempting to do so are fully and exclusively payable by athletes in breach of this agreement.

I, the athlete or parent/guardian, also agree to be fully financial with the club, with fees either paid in full or ongoing compliance with an agreed payment plan prior to the commencement of the Western Australian Volleyball League (WAVL) and/or Western Australian Junior Volleyball League (WAJVL) as applicable. I accept that the club reserves the right to suspend players from taking the court until financial compliance is met.

2. Membership Agreement

I, the athlete or parent/guardian, agree to Volleyball WA's 'Membership Agreement' and 'Code of Conduct' (included in my Volleyball WA Membership) and all Northern Stars Volleyball Club's 'Rules of Association' (found on the NSVC website - www.northernstarsvolleyball.com)

3. Risk of Injury Agreement

I, the athlete or parent/guardian, recognise that the athlete trains and plays at their own risk. The club cannot be held responsible for player injury provided a safe playing environment has been maintained. Personal accident insurance is available in the event of injury during VWA-sanctioned events; the Personal Accident Insurance Policy can be found on the VWA website (<https://volleyballwa.com.au/about-us/policies/>).

4. Referee Requirements

As part of participation in WAVL State League, State League Reserves and Divisions, VWA requires each club team to perform referee duty for other games in the competition. These duties are approximately every second week and require a duty team to field, at a minimum, the following referees for a game;

- 1x First Referee with a Level 1 accreditation or greater (Level 2 for State League & Reserves)
- 1x Second Referee with a Level 1 accreditation or greater
- 1x Scorer

Failure to meet these requirements results in a \$50 fine to the team involved and a championship point penalty.

For season 2021, the club will fully subsidise two players per team to complete their Level 1 Accreditation Course (available to VWA members via their Fortix portal) to meet these requirements. This subsidy is available upon proof of completion. The club also offers significant discounts to members willing to upskill to a Level 2 Referee Qualification.

I, the athlete, accept that these refereeing requirements are a part of playing in the WA Volleyball League and that failure of a team to supply a qualified referee for the necessary position/s results in a \$50 fine per infringement and a championship point penalty. I accept that this is the team or athlete/s responsibility to pay in full to the club should an invoice be received.
